Message from your Principal

Dear Class of 2020,

When we started this journey together, we didn't expect it to end this way. Covid-19 has created a sudden shift in the normalcy of our everyday lives. While many of you are saddened by this global pandemic and the many rites of passages that were missed, I want you to focus on all the accomplishments during the last four years and the journey that lies ahead. Take a moment to remember your favorite class, your favorite teacher, a memorable school event, a job or internship you had, and most importantly, the friends you made along the way.

This time of social distancing has created new habits that have brought us unity while we're separated. Perhaps some of you are spending more time with family members, connecting with friends, checking in on loved ones, playing board games, reading books, competing in online gaming, exercising, learning how to cook or doing some self care. One thing I know for sure is that we have all mastered Zoom meetings and how to operate in a virtual world!

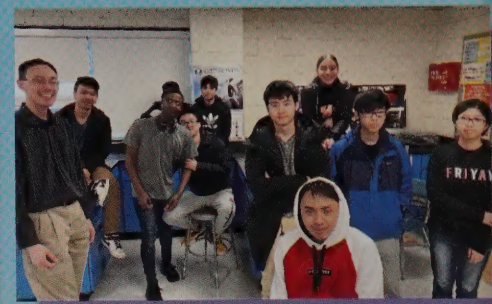

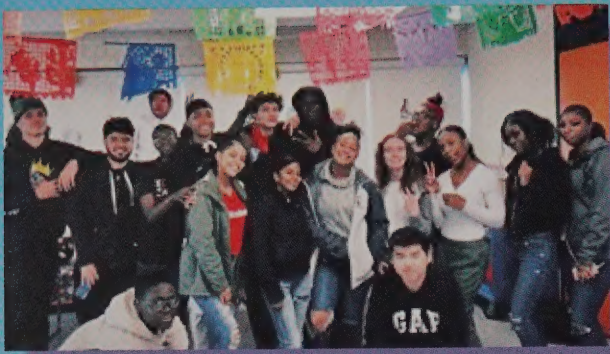

As you reflect on what may be missing this year, I want you to also reflect on the many memories that we have created together at Charlestown High School and the many memories that are still to come. During this high school journey, you have shown perseverance, grit, focus, and a desire to envision a bright future ahead. I am proud of each of you for making it to this finish line. I am equally excited about all that is yet to come. Remember that you hold in your hands the ability to create your destiny. Let it be one full of joy, peace, health and success. I want you to look at your years at CHS and smile. We loved having you, educating you and being by your side during these important years of your life.

Whatever your next move is, I wish you the very best. I will miss you. Thank you for giving me the inspiration to come in every day to serve you.

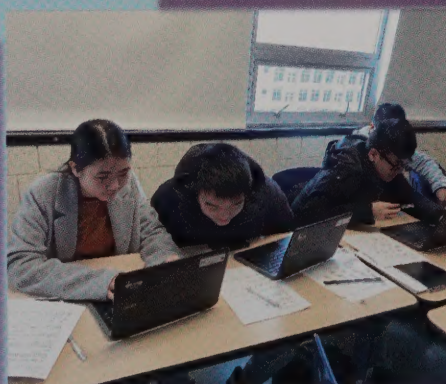

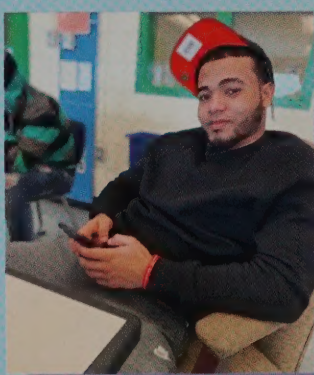

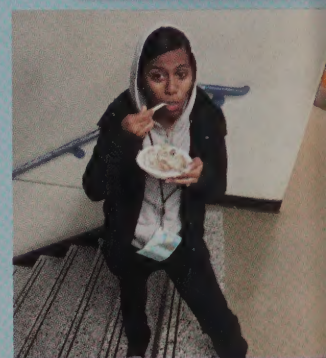

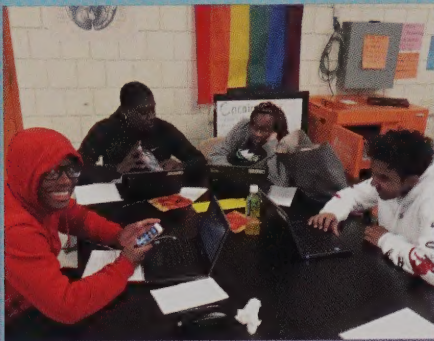

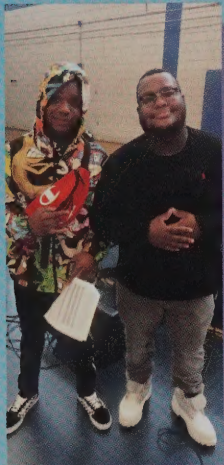

With admiration,

~ A Message From Your Teachers ~

This year, we graduate together! I want to thank you all for making this, my 30th year of teaching, so memorable. Having the opportunity to work with you has made my last year one of my best. Thank you for all that you have taught me this year--about literature, about life, about being passionate in all that one does. I always joked that we were graduating together--and we still are--just not in the way that we envisioned. I celebrate each of you, for you've accomplished so much. With much gratitude and fondness, grasshoppers....er, I mean, Class of 2020! - Ms. Wright

Thank you seniors for your amazing leadership this school year - I wish you the best in wherever your future takes you. You had quite the year with a less than perfect ending, but I hope it brings nothing but the best for your future!- Ms. L

It breaks my heart that I can not say this to you in person by looking at all of you and say - Good bye, Good luck and may all your dreams come true!- Ms. Shpani

I am so proud of all of you and how much you have grown in the last few years. Keep being amazing, working hard and never stop dreaming big! - Ms. Santos

Thank you all for helping me learn so much this year. You have all challenged me to see the world differently and I hope you keep challenging yourself and others, wherever you go next.- Mr. Day

Wherever you are and wherever you go, you will encounter some successes and some failures. Know that the failures is the price you pay for success so learn from them, grow from them, and use them as a source of strength. Lastly, know that your worth is more than any job title or paycheck so love yourself a little bit more and go easy on yourself. - Mr. Lee

Hi Seniors! I am so incredibly proud of you! You have come a long way, have so many talents and I can't wait to see what the future holds for each and every one of you! You have all overcome so much in your life and it is has only made you stronger and more resilient to whatever comes for you! I wish you the best of luck whichever path life takes you on! - Ms. McDonnell

Dear Seniors, Congrats to you! I know this is not the way you thought you would end your senior year. Please know that we are all here to support you always! Good luck with all of your future successes! You will always be part of the CHS family! ~ Ms. Avellino

It has been a pleasure to know you for two years in Upper School. I have watched you work, learn and grow so much and I'm very proud of you. I hope you'll cherish all the good and wonderful memories that you've experienced with peers and the CHS community. Remember to ALWAYS do your best and make good choices in life and you'll have good consequences. Remember, the world is forever yours, so, go get it! Class of 2020... YOU ARE KIND OF A BIG DEAL!!! - Ms. Teneus

My dear dear seniors-- I adore you all. I have been so fortunate to be able to watch you grow from big eyed, overwhelmed 8th graders coming to visit CHS for the first time, through your 9th grade year adjusting to high school and life on the RED SIDE. Shout out to my OG advisory group who has my heart-- Pedro, Patricia, Gabby, Ming, Wei, Benson, and others. 10th grade year was impossibly hard for us all but we pulled together and got through it as a community and I was proud of us. Watching your path through upper school has been joyful--- you have become such strong, thoughtful, talented, kind, funny, confident young adults during your years at Charlestown, and I count my blessings that I could be a step on your path to adulthood. I love you, Class of 2020. Go do great things and come back to visit us often. - Ms. Koehler

Class of 2020, almost everyone says that your senior year is an unforgettable year... I wish it wasn't for the reasons of this quarantine! I miss seeing you in the halls and in classes, and I wish you nothing but the best. You are always a part of the CHS family!!! - Mr. Pai

"Seniors! You made it. You should be really proud of everything you've accomplished. Whether in classrooms or internships, in sports or debate, you've represented Charlestown High incredibly well.

Most importantly, I think you all are genuinely good people. You're kind, you take care of each other, and you care about making the world a better place. Keep those values strong -- they'll guide you well in your next chapter.

Be well! We'll miss you tons,- Grimes"

It has been an honor to get to know many of you over the past four years. I am always impressed by your talent, creativity, kindness, and persistence. You all will make the world a better place by being in it! We are so sad not to get a proper goodbye this spring, but I know you will rise above the difficulty and make the class of 2020 one that the world will always remember. We love you and wish you all the best! - Ms. Paquette

"Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go." Joshua 1:9. - Dr. Boyd

My Dearest Seniors: It has been an amazing year watching you grow into the amazing young people you are today. Thank you for welcoming me into your classroom, in to your spaces and into your lives. It is truly a treasure to be invited into a young persons "world" and it is an honor I do not take lightly. I will treasure the conversations during advisory, the jokes and laughter that filled our classroom day after day, the lively discussions about a book you said you hated, but secretly loved (I know you did!) and most of all I will treasure the hope, light and promise that lies within each of you. As you embark on your next adventure--adult life--always remember to be kind, stay true to who you are, and embrace every opportunity life throws at you with an open mind and heart. You've made it! Congratulations class of 2020! - Ms. Egidio

It's been an honor and a privilege to work with you this year and guide you through your next steps. Wishing you all the best! - Ms. Crosby

"Dear Class of 2020,

You did it!! I am so, so proud of each and every one of you. You pushed yourselves to succeed academically, supported one another through good times and bad, and filled our classrooms with energy and joy. We will always remember the class of 2020 for your RESILIENCE! You have done the unthinkable: finishing your senior years online, persevering through a pandemic, and inspiring your teachers to do the same.

For those of you who knew me when I was still wearing a bright red City Year jacket: it has been an honor to learn and grow with you. I had no idea when I joined City Year that you all would change my life and turn me into a teacher, but I can't thank you all enough. I already believed in you when I met you on your first day of tenth grade, and I will continue believing in you long after you graduate. I can't imagine what Charlestown will feel like without you all, but thank you for letting me into your lives for a little while.

I know you will go on to do great and inspiring things,
and I can't wait to hear all about them!!

- All the love in the world, Ms. Grimmett"

Dear Class of 2020,

When I met you two years ago, I was blown away by your determination, intelligence, and kindness. Now, as I write this, and you are poised to graduate, I have come to uncover another quality that shines through among you all - resiliency.

This is an unprecedented time to be a senior. I completely empathize with all that you are missing out on - prom, end of year wrap ups, and a traditional graduation ceremony. But, I am comforted in knowing that your group was always more than just mere celebrations. You are all about the hard work and commitment. What matters in life is the journey, not the destination. Don't miss out on life because you are too worried about what you will wear to the party. Life's memorable times are uncovered in the process.

I don't remember a thing about my graduation day, but I do remember the people in my high school building who made an impact upon me. I am also 100% confident, I will never forget the impact your class has had upon me as an adult. We are in the best profession where we can learn from you - our greatest teachers. Your never give up attitude has taught me how I want to present myself to the world. So, keep on inspiring others. Even when life doesn't go as planned, please show the world your strength and humility.

I truly love this class. You have left an indelible print upon my life - now go out into this large world and leave the same print upon others. Never forget your strength and your C-town roots. Come back and share successes and bumps along the road with us because we are all in this together. I have never been more proud of a class than I am right now.

With my deepest love,

Ms. Hughes

To my seniors: Thank you so much for all that you have taught me these past few years. I hope you have learned as much from me as I have from you. I will miss seeing your faces on the fourth floor next year, so please come back and visit us. I know your senior year didn't end the way we had planned, but I believe in each and everyone of you to go out into the world and do great things. I hope we can all come together again (soon) - as the class of 2021- and celebrate all that you have accomplished. Never forget, "The only person qualified to determine your worth is you".

Missing you all already, and I can't wait to see all the beautiful things you accomplish. Congratulations!!!! Celebrate this amazing achievement!

Please stay in touch!!!!

All my love <3, Ms. Silver

Congratulations Seniors 2020!
